

ENCLOSURE C

Text of UN Resolution of 4 October 1950.

Titled "The Problem of the Independence of Korea"

THE GENERAL ASSEMBLY Having regard to its resolutions of 14 November, 1947, of 12 December, 1948, and of 21 October, 1949;

Having received and considered the report of the United Nations Commission on Korea;

Mindful of the fact that the objectives set forth in the resolutions referred to have not been fully accomplished and in particular that the unification of Korea has not yet been achieved and that an attempt has been made by an armed attack from North Korea to extinguish by force the Government of the Republic of Korea;

Recalling its declaration of 12 December, 1948, that there has been established a lawful government (the Government of the Republic of Korea) having effective control and jurisdiction over that part of Korea where the United Nations Temporary Commission on Korea was able to observe and consult and in which the great majority of the people of Korea reside; that this Government is based on elections which were a valid expression of the free will of the electorate of that part of Korea and which were observed by the temporary commission; and that this is the only such Government in Korea;

Having in mind that United Nations armed forces are at present operating in Korea in accordance with the recommendations of the Security Council of 27 June, 1950, subsequent to its resolution of 25 June, 1950, that members of the United Nations furnish such assistance to the Republic of Korea as may be necessary to repel the armed attack and to restore international peace and security in the area;

Recalling that the essential objective of the resolutions of the General Assembly referred to was the establishment of a unified, independent and democratic government of Korea;

Recommends

(A) That all appropriate steps be taken to ensure conditions of stability throughout Korea;

State Department review completed

(B) That all constituent acts be taken, including the holding of elections, under the auspices of the United Nations for the establishment of a unified, independent and democratic government in the sovereign state of Korea.

(C) That all sections and representation bodies of the population of Korea, South and North, be invited to cooperate with the organs of the United Nations in the restoration of peace, in the holding of elections and in the establishment of a unified government. Former sub-paragraphs (C) and (D) become sub-paragraphs (D) and (E) respectively;

(D) That United Nations forces should not remain in any part of Korea otherwise than so far as necessary for achieving the objectives specified at (A) and (B) above;

(E) That all necessary measures be taken to accomplish the economic rehabilitation of Korea.

Resolve: That

(A) A commission consisting of Australia, Chile, Netherlands, Pakistan, Philippines, Turkey and one more member to be appointed, to be known as the United Nations Commission for the Unification and Rehabilitation of Korea be established to (i) assume the functions hitherto exercised by the present United Nations Commission in Korea, (ii) represent the United Nations in bringing about the establishment of a unified, independent and democratic government of all Korea, (iii) exercise such responsibilities in connection with relief and rehabilitation in Korea as may be determined by the General Assembly after receiving the recommendations of the Economic and Social Council; the United Nations Commission for the Unification and Rehabilitation of Korea should proceed to Korea and begin to carry out its functions as soon as possible;

(B) Pending the arrival in Korea of the United Nations Commission for the Unification and Rehabilitation of Korea, Governments represented on the commission should form an interim committee composed of their permanent representatives at the seat of the United Nations to consult with and advise the United Nations unified command in the light of the above recommendations; the interim committee should begin to function immediately upon the approval of this resolution by the General Assembly;

Enclosure C

(C) The commission shall render a report to the next regular session of the General Assembly and to any prior special session which might be called to consider the subject matter of the present resolution, and shall render such interim reports as it may deem appropriate to the Secretary General for transmission to members;

THE GENERAL ASSEMBLY furthermore,

Mindful of the fact that at the end of the present hostilities the task of rehabilitating the Korean economy will be of great magnitude;

Requests the Economic and Social Council in consultation with the specialized agencies, to develop plans for relief and rehabilitation on the termination of hostilities and to report to the General Assembly within three weeks of the approval of the resolution by the General Assembly.

Also Recommends the Economic and Social Council to expedite the study of long-term measures to promote the economic development and social progress of Korea and meanwhile to draw the attention of the authorities which decide requests for technical assistance to the urgent and special necessity of affording such assistance to Korea.

Expresses its appreciation of the services rendered by the members of the United Nations Commission on Korea in the performance of their important and difficult task.

Requests that the Secretary General shall provide the commission with adequate staff and facilities, including technical advisers as required; and authorizes the Secretary General to pay the expenses and per diem of a representative and alternate from each of the state members of the commission.
